38 Judge: Hon. Barry Russell

39
40 **DECLARATION OF DR. LUCAS MURREY**

41 I, Dr. Lucas Murrey, declare:

1. That I am the plaintiff in this action; that I am over the age of 18 years and
2 that I have personal knowledge of the facts contained in this declaration. If
3 called upon to testify I could and would testify competently as to the truth
4 of the facts stated herein.

5. This declaration is submitted in support of plaintiff's motion to compel
6 defendant Ms. Amy Blalock's responses to his interrogatories, set two, and
7 requests for production of documents, set two; and disclosures per rule
8 26(a)(1)(A)(iii); and request for monetary sanctions and entry of default.

9. A true and correct copy of Facebook AWDTSG group members stating
10 that "public records show" [that plaintiff has] involvement in [a]
11 MURDER case of his ex[-]wife", is "suspected of murder"; [h]as several
12 domestic violence charges filed against him"; is an "abusive murderer";
13 "[has] "[f]iled [...] court cases against women [...] trying to extort money
14 from them"; "has committed fraud"; "has acted fraudulently", "has STDs",
15 has an "ex-wife who [he] killed"; "claim[s] he is an attorney"; has a
16 fraudulent Ph.D from Yale University; has stalked several women; and
17 that plaintiff is listed on the California court's public record as being a
18 "vexatious litigant" is hereto attached as Exhibit A.

19. All of these statements are false. Of the hundreds of Facebook accounts
20 involved not a single woman has come forward who I have met in person
21 other than one who I only met for less than fifteen minutes because I saw

1 that she did not resemble her pictures and I refused to go on a date with
2 her and politely excused myself forthwith. Of the remaining Facebook
3 accounts only a small fraction of women (so far only three) have had any
4 communication with me e.g. via a few text messages and I rejected each
5 and every one.

6

7 5. Said cyber-attack has led to off-line harassment of myself, my loved ones,
8 family, friends, colleagues and anyone perceived to be associated with me;
9 I have received multiple death threats and suffered serious damages,
10 including, but not limited to the loss of income and potential work and I
11 am currently being treated for the severe harm I suffered.

12

13 6. A true and correct copy of a recent death threat on Facebook is hereto
14 attached as Exhibit B.

15

16 7. A true and correct copy of the creation of mass web-traffic, “click-bait”,
17 drawing attention to one-self and obtaining “Facebook points” i.e.
18 Facebook money, money via GoFundMe.com donations, also from a
19 national and international news media campaign with billions of viewers,
20 and money from securing a Netflix deal for a docuseries is hereto attached
21 as Exhibit C.

22

23 8. A true and correct copy of members of Facebook’s AWDTSG and
24 defendants in plaintiff’s state case having been caught harassing men who
25 have passed away (and thus who cannot harm anyone) and the families of
26

1 men, including their wives and children, who refused to have one-night
2 stands with them and evidence of how, instead of being a safe place for
3 women to protect one another, Facebook and its AWDTSG groups are
4 places where drunk women cyber-attack men while they openly admit to
5 suffering from psychological disorders, weight-issues etc. is hereto
6 attached as Exhibit D.

7
8 9. A true and correct copy of Blalock's statements in this cyber-attack is
10 hereto attached as Exhibit E.

11
12 10. A true and correct copy of Blalock's verified admission in her responses to
13 plaintiff's requests for admission, specifically her response to RFA no. 5,
14 that she received GoFundMe money for her webpage that she undersigned
15 with several other defendants and whereupon she defamed plaintiff by
16 falsely accusing him of stalking a woman named Elly Shariat who in truth
17 and actual fact plaintiff does not know and never stalked which Blalock
18 and her co-conspirators aggressively promoted on social and national and
19 international news media outlets to billions of viewers is hereto attached as
20 Exhibit F.

21
22 11. A true and correct copy of Blalock having earned Facebook points i.e.
23 Facebook money is hereto attached as Exhibit G.

12. A true and correct copy of Blalock et al. seeking to monetize their harm of
me to make a documentary and secure a Netflix deal is hereto attached as
Exhibit H.

13. A true and correct copy of my interrogatories, set two, to defendant is
hereto attached as Exhibit I.

14. A true and correct copy of requests for production of documents, set two,
to defendant is hereto attached as Exhibit J.

15. A true and correct copy of defendant's response to my interrogatories, set
two, is hereto attached as Exhibit K.

16. A true and correct copy of defendant's response to my requests for
production of documents, set two, is hereto attached as Exhibit L.

17. A true and correct copy of my meet & confer letter regarding
interrogatories, set two, from 17 November 2024 is hereto attached as
Exhibit M.

18. A true and correct copy of my meet & confer letter regarding requests for
production of documents, set two, from 26 November 2024 is hereto
attached as Exhibit N.

19. A true and correct copy of Ms. Blalock's response from 2 December 2024
wherein she stated that that she would provide further responses to the said
discovery by the end of that week i.e. Friday the 6th of December 2024 is
hereto attached as Exhibit O.

1 20.A true and correct copy of my second meet & confer letter on 6 December
2 2024 informing defendant that I would now have to file a second motion to
3 compel, this time seeking not only sanctions, but also any and all further
4 legal remedies for her ongoing failure is hereto attached as Exhibit P.

5 21.A true and correct copy of the anonymous organizer and other individuals
6 who along with defendant Ms. Blalock willfully signed the harmful
7 GoFundMe webpage with a defamatory story of plaintiff stalking a woman
8 to billions of viewers is hereto attached as Exhibit Q.

9 22.A true and correct copy of Blalock claiming under oath that she has
10 evidence of plaintiff stalking Shariat is hereto attached as Exhibit R.

11 23.A true and correct copy of Blalock stating under oath that she has no such
12 evidence of plaintiff stalking Shariat nor any other woman or man ever is
13 hereto attached as Exhibit S.

14 24.A true and correct copy of Blalock claiming in said AWDTSG Facebook
15 forum that she secretly and unlawfully recorded me is hereto attached as
16 Exhibit T.

17 25.A true and correct copy of Blalock admitted under oath no such recording
18 ever existed is hereto attached as Exhibit U.

19 26.A true and correct copy of Blalock stating that she never obtained
20 Facebook money/points is hereto attached as Exhibit V.

1 27. A true and correct copy of Blalock's Facebook points/money is hereto
2 attached as Exhibit W.
3

4 28. A true and correct copy of my good faith disclosures per rule 26(a)(1) is
5 hereto attached as Exhibit X.
6

7 I declare that under penalty of perjury under the laws of the United States that
8 the foregoing is true and correct; executed on 10 December 2024 in Los Angeles,

I'm so glad I posted here. I never met him yet so that was a close call! He said he was an Attorney on hinge but what's odd is today I got an email from hinge saying they banned a member named Luke for fraudulent behavior, but I had 2 Luke's I matched with, but after work I checked and he was gone and the other was still there so obviously it was him.

Liv Burger seriously something is so weird about all of this. I feel like
we should go undercover and get him to confess his crimes! I bet he
has some serious skeletons in his closet ..

I feel like this is a movie and I haven't blocked him yet so he's still in the
rafters waiting for me to meet him at his creep spots. I wonder what
the workers know/think ? There's a reason he goes to the same spots

Diane he told me about his published books and how he does podcasts with scholars. I didn't look up his books ~~until~~ last night but they're both about German poets/philosophers who were obsessed with Greek tragedy and Dionysian poetry which includes the balance between "terror and excitement" and society's focus on visualization in comparison to wealth and money as it relates to tragedy. Dude is basically obsessed with tragedy and money. His Twitter is full of Bitcoin garb and conspiracies.

UPDATE: REPORTED AND REMOVED FROM HINGE.

But he is obviously a predator so keep in mind he could make new profiles with new names or false info if his ego is damaged enough from being removed (he is an overt narcissist so caution is necessary!)

I don't have Bumble or Tinder so I'm not sure how to report him from there, if you've matched with him on either place I encourage you to try to have him removed from those as well.

STAY SAFE LADIESSSS!!

Eve Salazar he pressed lawsuits
against a number of women to extort
money from them and was suspected
in the murder of his ex wife. I think the
doc could investigate the murder
since he clearly didn't go to jail about
it and instead of accuse him just plant
seeds of speculation.

Liv Burger the timing of this thread is crazy because just two nights ago I woke up in a cold sweat after having a nightmare about the night he showed up. My fiancé has seen Lucas' pics and knows the story in case we are ever out and he spots him so we can leave but the horrible vibes he gave that night, the strength he used when he came over and grabbed my wrist saying I was hard to pin down, I am still terrified about.

Kel Culb Gib sadly, we never got his info and I legit feel AWFUL that we didn't. He came to my client's room an hour after rescuing us, saw I was still upset and shook up, and even took us to Nobu in WeHo for dinner to help me get my mind off what happened. He was a perfect gentleman, incredibly kind, tall, and handsome, but I was so distraught about Lucas that it never registered for me to get his info. My client tried to use the context clues he had given through the night to find him but we never did. It's like he was an angel who appeared out of nowhere, saved us, then disappeared. My client didn't see him at the hotel after that night either.

Matched with him on Tinder a few years back. He wanted to meet up IMMEDIATELY but I made it clear I couldn't because I had a client in town, also let him know my texts/replies wouldn't be timely because I'd be with my client and didn't want to be rude. He found my Instagram and even though I hadn't geo-tagged where in Beverly Hills I was, I guess he recognized the pool and at some point in the evening stopped by the hotel and sat down next to me and my client at the bar exclaiming "I've been looking for you all over town! You're a hard girl to pin down!" I was flabbergasted and freaking out because who tf does that?! To show up uninvited at a place I didn't tell you about? Luckily a British guy a few seats over heard everything and pretended like he knew me and my client, apologized for having a call that ran long, and said why don't we go somewhere more private to discuss our work. At that point my client and I said sorry to Lucas and that we have to go with the British guy because there's a major deal we are working on so we left and Lucas huffed and puffed. (British guy had prepaid our tab, unbeknownst to us, so we wouldn't be hampered in trying to leave.) In the elevator the nice Brit mentioned how sorry he was for his gender and that seeing how distraught and panicked I was made him almost call the cops but that the bartender knew if Lucas tried to follow us to def call the cops. To this day I feel incredibly lucky that guy interjected and stepped in. Still thinking about that afternoon scares tf out of me. Lucas should NOT be allowed on any of these apps because he really is dangerous af.

Wow! I also matched with him years ago. Convo ended fast with me blocking him after I googled all the lawsuits against him and being a murder suspect. I also went down the rabbit hole of reading online chats and blogs about him... and several exes have accused him of stds. Sorry for the women who actually wasted their time on a date w him. Hopefully no one went back to his place. Luckily we all feel his creepiness pretty quickly. Even in the event that he is innocent in all his cases (which I don't believe it), just the fact that he attracts all this drama is enough.
